

Nordic Singapore Innovation Days

October 28–October 30, 2024

Startups Fostering Sustainable Innovation

In October, a Nordic delegation will travel to Singapore for Nordic Singapore Innovation Days 2024. A group of founders, investors, family offices, and incubators with strong focus on climate impact and commitment to green innovations between the Nordic countries and Singapore.

As part of the delegation, we will host three events. The Nordic Singapore Innovation Days Conference, Win the Future Conference, and an in person matchmaking with startups, providing participating corporates and investors the opportunity to meet Nordic startups, as well as connect with other companies from the delegation in tailored one-on-one meetings.

Sweden Singapore Innovation Days is organised by Vinnova, SISP, Ignite Sweden, Business Sweden, Nordic Innovation House, Business Finland, SG Innovate and Enterprise Singapore.
